A Canyon REO Food Pack requires up to 7 cooler bays, 2 bread boxes, 5 to 9 crates, and 20+ Rocket Boxes. If your boats cannot handle this number of boxes and coolers you will need to modify your menu to fit your boats or modify your boats to fit the menu.

You will also need space for your kitchen, propane, charcoal, repair kits, personal bags, groovers, etc. Trailer frames and/or beaver boards are available at no additional charge, which can increase your carrying capacity. Please call to discuss, request, and reserve this equipment.

**Please complete a Boat Map for each of your boats and send a copy of this form to Canyon REO by the 60 day deadline**
