

FOR SALE

Schock Lido 14

*Well Maintained
and Ready to Sail!*

The Lido 14 was not originally designed as a racing boat but as a family oriented day sailor that sails with as many as 6 on the wide bench seats in its roomy cockpit. For beginners with their families and friends it is a very simple, safe and affordable entry into the world of

sailing. Beamy, very difficult to capsize, easily set up and easily sailed, the Lido 14 offers accessible sailing to many ability levels and age groups. Young, old, new or veteran, the Lido 14 competitive fleets on the West Coast keep racing alive; while countless others are cruised on lakes, rivers and ponds.

This Lido is sail #6157 and was built in 2000. It is the newer updated "6000-Series" with double hull construction. This positive buoyancy makes for added safety and more comfort than the older "classic" Lidos. It has provided great entertainment and exercise for our whole family. We hate to part with it.

Everything is Included:

- Trailer - rebuilt in 2016. All required straps.
- Ullman racing sail set used 2 seasons
- Quantum cruising set of sails
- All equipment
- Rudder, tiller, extension with padded bag
