FIBER OPTIC INTERNET

WE DID IT!!!

FIBER OPTIC INTERNET FOR EVERYONE

We are in the process of installing the best Internet available in Mexico.

Ready this coming season.

This service provides you a stable, fast, and secure Internet connection directly to your compatible devices via ethernet cable.

We have 3 options available.

PLAN	DESCRIPTION	PRICE
STANDARD	E-mail, messaging, news, Google searches, not suitable for voip or streaming.	FREE
PREMIUM	Fast connection includes E-mail, messaging, unlimited internet surfing, movies, video streaming, social media, downloads, 3 devices connected at the same time, sharing the same bandwidth up to 5 Mbps.	\$1.00 USD Per day
EXTREME	The fastest connection option provides you E-mail, messaging, unlimited internet pages, movies, video streaming, social media, downloads, video conferences and webinars, 6 devices connected at the same time, sharing the same bandwidth up to 20 Mbps.	\$2.00 USD Per day
